

NEW Village Oil Syndicate Arrangements – November 2016

(This information has already been sent to a number of people via known email addresses from the previous village oil arrangements. It also acknowledges that not all households use oil and have different sources of heating etc. So this information may not be relevant to you)

The Village Society has been looking at options to replace the previous Thornton Le Moor Village arrangements for the bulk ordering of central heating oil. The option that we are going with now is to join up with the Osmotherley and Area Oil Co-operative.

There are absolutely no fees for being a syndicate member. Personal information is not passed on to third parties other than the named oil company that 'wins' the Co-operative negotiation. Like our previous syndicate it is run by volunteers. All that they ask is that you pay your bill promptly after delivery, so we stay in the suppliers good books.

If you are interested please read on -

This Co-operative now benefits approximately 400 households in Swainby, Borrowby, Knayton, Over Siltan, S Otterington, Thornton Le Beans, East Harlsey, Ingleby Arncliffe, Ingleby Cross as well as Osmotherley.

By pooling requirements they are able to negotiate a lower price for oil – lower than prices offered to individual customers

How does it work?

Six times a year the Co-operative Co-ordinator emails members asking for order amounts. The co-ordinator negotiates with various companies for prices based on the total volume and places the order. The oil is delivered on agreed days, and the supplier sends each member a bill for their own oil. The bill is payable direct to the supplier from the member within two weeks by cheque or credit card.

Members only order when oil is required – they don't have to order oil each time.

Any householders without email would need to find an 'email buddy' who would inform them when an order is due to be placed

Future order dates

The next order will be placed at the end of November and then every other month. So to ensure that you are in the system for a pre-Christmas/New Year delivery ensure your application is submitted and you are on the all important Co-operative email list. See below.

Contact

Interested in joining or want further information then please contact Mike Brown at the email address below to receive an application form to join the Co-operative.
